

QuickBooks Online Benefits

Saves you time

- ❖ Workflow time savings
- ❖ Access anywhere, anytime
 - We don't need to be on site all the time – saves us both time
- ❖ Speed and productivity
- ❖ Invoice/Sales Receipt Automation – can send them out automatically to clients
- ❖ Delayed Customer Charges/Billing - automatically bills people for time
- ❖ No need to transfer data via Accountant Copy files
- ❖ Automatic e-mail reporting – can set up memorized reports to present to specific recipients

Secure

- ❖ Secure sharing
- ❖ Automatically backed up in the cloud
 - No need to worry about losing data or when you last created a backup copy
- ❖ Activity Log – you can see when people log in
- ❖ Bank transactions automatically downloaded nightly
- ❖ QuickBooks Online has class AND location tracking

Easy to use

- ❖ Income list – upgraded tool to manage cash flow
- ❖ Attach files to bills, sales receipts, estimates, invoices, check, credit card expenses, and cash expenses
- ❖ Add expense and its receipt photo in QuickBooks Online for iPhone
- ❖ For Accountants- Multiple AR/AP lines in journal entries!!!
- ❖ Helps with cash flow – monthly bill (no contract) versus having to pay for the bill up front
- ❖ Focus on data and analysis versus data entry
- ❖ Downloaded transactions replaces online banking – downloads automatically overnight – can see multiple transactions at one time versus just five
- ❖ Automatic Updates
- ❖ No worries about data version or working on multiple versions – you update daily to stay up to date versus complete overhauls every 3 years the traditional way

Affordable

- ❖ Invite two accounting firms to a QBO company free of charge
- ❖ ***For one low monthly rate of \$27.97 enjoy the ease and security of QuickBooks Online today!***
